No. 4:05cr00299 SWW

ORDER

Before the Court is *pro se* defendant Cory Shane Peacock's motion [doc.#52] for documents necessary to execute a petition for writ of certiorari to the Supreme Court of the United States and his motion [doc.#51] to proceed before that Court *in forma pauperis* ("IFP"). Both of these motions are denied without prejudice to his right to properly submit them to the United States Supreme Court. Defendant is directed to the Rules of the Supreme Court of the United States, including Rules 12.2 and 39, which address proceedings IFP, for guidance as to how to proceed.¹

IT IS SO ORDERED this 23rd day of January 2008.

UNITED STATES DISTRICT JUDGE

¹ In examining those rules, it certainly does not appear that defendant is in need of all the materials he requests in order to complete his petition for writ of certiorari. *See, e.g.*, Rule 14 (detailing the contents of a petition for writ of certiorari).
